

Make CONNECTIONS

It reminds me of
another book...

I saw a snake
like that in the
Asian pavilion
at the zoo.

This is like a movie I
watched....

I read a book about a
snake charmer who
used a flute to charm a
cobra out of a basket.
He used the cobra
because of its unusual
hood.

- How does this remind you of other books you've read?
- What do you already know about this?
- What are the differences between what is happening in the story and in your life?
